Introduction – p.43

1 Tyler is telling the story.

(We know this because he tells us how Hannah wakes him up and the picture shows a boy in bed.)

2 He spray-painted the front of the school.

3 Hannah was looking forward to the first day at school.

(She was excited because everything was new to her and she thought that high school was a place where you are popular, smart and happy. She wanted to show everybody her new belly button piercing.)
